

AICOG 2013 - Mumbai beckons you

MOGS under the aegis of FOGSI will be hosting the 56th AICOG which is scheduled to be held at the MMRDA Grounds, BandraKurla Complex, Mumbai, India from 16th – 20th January 2013. The AICOG (All India Congress on Obstetrics and Gynecology) is committed to professionals around the world in the field of Obstetrics and Gynecology having the opportunity to share the most up-to-date information regarding the science and advances.

The themes of this National conference are **Advanced Infertility Management, Contemporary Contraceptives, High Risk Pregnancy, The Uterus in Focus & Miscellaneous**. It is expected to be attended by members from all over the country as well as international delegates. 10,000 delegates and 500 plus faculty are expected to participate in this important event. Invited specialists from a wide range of disciplines which include about 40 select international faculty from amongst the world leaders in the specialty subjects and about 500 national experts will participate in the Scientific Programme and their presentations will provide delegates with information on the latest developments in the field. More than 1,000 scientific abstracts are anticipated to be presented in the free paper sessions. With pre-congress workshops on **Operative Obstetrics, Vaginal Surgery, Operative Laparoscopy, Operative Hysteroscopy, Imaging, Reproductive Endocrinology, Advanced Infertility & ART, Fetal Surveillance & Gynecological Oncology** on 16th January, the inauguration, inaugural dinner, CME and the FOGSI Committee workshops on 17th January, the Conference on the 18th along with a paid banquet and conference on 19th January and the conference and Valedictory on the 20th of January 2013, the AICOG 2013 aims to encourage and disseminate knowledge, education and research in the field of obstetrics and gynecology.

The MOGS society exemplifies all the traditions of being a true Mumbaikar – dynamic, lively, resourceful and resilient and Mumbai, 'The City which Never Sleeps' holds numerous delights. Culture, cuisine, cricket and Bollywood are as integral to it as being the financial nerve center of the nation. Mumbai has something for everyone and will make you addicted to the spirit of living. Members of the MOGS look forward to this opportunity to welcome you.

AICOG 2013 promises to be a social extravaganza. It represents an unmatched opportunity for the medical industry to interact with delegates, faculty and other industry participants. The Mumbai Obstetrics and Gynecological Society and the 21 million people of Mumbai hailing from various parts of the country welcome you to be a part of the 56th AICOG. In addition to the outstanding Scientific Programme, visitors will be able to enjoy the culture and sights of city of Mumbai. **Welcome to the AICOG 2013 and Welcome to Mumbai !**
