

Dear Doctor/health Professional,

Subject :- High Risk Pregnancy/Fetal Medicine Short-Term Fellowship at St. George Hospital, London on Trialect

Trialect at <https://app.trialect.com/> , a US incorporation, has partnered with the lead faculty of St. George's Hospital, London, UK, to provide short-term (2-4 week) fellowship program to the physicians/allied health professionals around the world. It is initially working on enrolling 6 fellows. In this short-term fellowship, the areas in which you will achieve some competence include, but not limited to:

Health Professionals from around the world can apply. The overarching goal is to improve patient care around the world while facilitating cultural exchange. As the deadline is 30<sup>th</sup> June 2017, we are reaching out to see if your students, fellows, or junior faculty in obstetrics/internal medicine/other specialties/allied health workers. The program is tailored to their needs. The details can be perused at: <https://app.trialect.com/7370/display>

Interested members can apply directly".

Dr.Vanita Raut  
President, MOGS

Dr.Rishma Pai
