To

All Members of MOGS

The Mumbai Obstetric & Gynecological Society has the privileged and responsibility of representing and addressing the Academic, Professional and Fellowship needs of its members. One such activity being meeting with (HOD) Heads of Department of various teaching hospitals to look after problems faced by our MOGS members while transferring critical patients to these institutions. Sometimes crucial time is wasted while transferring patients due to miscommunication between referring consultant and institutions where patients is transferred.

To reduce this communication gap, it was decided in the meeting between various HODs and MOGS to circulate list of Heads of Unit (HOU) with their direct contact numbers to all our members.

Hence attaching herewith list of various medical colleges with their Heads of Unit (HOU) contact details according to emergency days for proper and direct communication. You are expected to get in touch with them before transferring the patients so as to reduce transfer time and getting emergency treatment as early as possible. This will help us in reducing maternal morbidity and mortality in long term.

Mumbai is one of the privileged cities to have so many great medical colleges and institutions for post Graduate training and to cater to the medical needs of Mumbai's Vast Population. The history of MOGS has always been linked with these institutions for various activities.

**Please note this information is for proper and direct communication with unit heads where patients are to be transferred. There is no legal obligation at all on either MOGS or Heads of Unit (HOU).**

Kindly give your feedback, suggestions on mogs2012@gmail.com for future improvement. Enclosed herewith list of medical colleges those who are willing to receive communication in **emergency only** from our members

With Regards

**Dr. Rishma Dhillon Pai**  
President MOGS

**Dr. Anahita Chauhan**  
Secretary MOGS

**Dr. Rajendra Sankpal**  
Treasurer, MOGS

**Conveners: Dr. Ganpat Sawant, Dr. Purnima Satoskar, Dr. Komal Chavan.**
