WELCOME MESSAGE

It is our great pleasure to welcome you to AMOGS 2026, the 39th Annual Conference of the Association of Maharashtra Obstetrics & Gynaecological Societies, to be held from 13th to 15th March 2026 at JW Marriott, Sahar, Mumbai.

Founded in 1987, AMOGS represents a vibrant fraternity of close to 10,000 obstetricians and gynaecologists, constituted of 44 member societies across Maharashtra, united by a shared commitment to advancing women's health. Hosted by the Mumbai Obstetric & Gynaecological Society (MOGS), AMOGS 2026 has been thoughtfully curated around the theme "Precision | Protection | Progress," reflecting the evolving landscape of women's healthcare and our collective vision for the future.

The conference offers a rich scientific program highlighting updates in Technology, Techniques, and Therapeutics, with workshops, CME, orations, and interactive sessions led by eminent faculty from across the country. Alongside academic excellence, AMOGS 2026 also celebrates leadership, culture, and inspiration through special highlights such as the AMOGS Stree Gaurav Puraskar, MOGS AMOGS Valor Awards, and the uniquely conceptualised Paithani Walk, honouring the strength, grace, and legacy of womanhood.

We warmly invite you to join us for three days of learning, collaboration, and celebration as we come together to advance excellence in obstetrics and gynaecology and reaffirm our commitment to women's health.

We look forward to welcoming you to AMOGS 2026.

Warm regards,
